Portfolio of 3rd eye team regional

"The regional youth group initiative in the Arab world"

You can change the "I" into 3rd eye...

Introduction....

Youth group!! ... We are a regional youth group this is what we think it identifies our choice of acting free toward our community which is not valid only for the organization but also to any one who is acting positively to their surroundings.

Life style!! ... It is away of behaving & feelings the space around us, starting from way of thinking, acting, feeling responsible towards our communities & taking a social part of our lives.

3rd eye team we are mixed of both concepts, a youth group who are trying to take the approaches of being socially responsible & being 3rd eye even in life details.

Who are we?

We are a group of young Arab people who are:

- **Sharing the same interest, vision & initiatives;**
- **Initiate simple ideas within our assets which may help in inspiring our peers;**
- **Networking between Arab youth;**
- **Developing our selves & our communities;**

Our vision/ Mission:

To make youth adapters to the 3rd eye as a "life style" where they are:

- **Influencing our communities from where we are;**
- **Building on our assets, utilize our potentials & create things from existing resources around us;**
- **Volunteering for human being welfare, for our communities & to be the change we seek in the world;**

Who is the third eye-ian?

Individual → Member → Participant → Initiator → Eye of Change

Who is

- socially responsible;
- culturally sensitive;
- positive person;
- a participant not a member;
- doing as if others do the same but in creative way;
- who is working for all when all working for one;
- the eye of development and change in his/her community;

Our assets

We are as 3rd eye team, working according to assets based approach. We build on our assets, utilize our resources, networking with partners & supporters then we come up with initiatives with least fund. We are raising the flag of "Act, Start without fund"

Networking

We have access to 10 organizations in different countries (UNICEF, Injaz, Nasseej program, Safar fund,...)

We have access to young people from different background practicing the

Slogan/Signature

As we do believe in spreading out the 3rd eye as a life style with simple developmental approaches, we felt that the more sensitive the slogan is, the more commitment we will have. So, the 3rd eye's signature is:
