

## The Subliminal, Use of Frequency & Channels

All information here is on Alleged Crimes & Criminal Activity also at <http://childhoodwithoutwar.net>

### "My Favorite Martian"

Programming the Timing of Opportunities,  
Ideas & Thoughts = Phrenetic Pace, eNarcotic

**Western Linear Database Brain** = Waste of Time, Historical Record of No Intention of Solving Problems

o = Frequency of Word or Phrase

4

4 = Measurement of Time of 4 beats per Measure, Computer Keyboard Code "\$"

eProgrammed eFrequency of "beats", mention of Words, Phrases = "Tight" Pace or "Loose" Pace. Hindi Brain Industry.

Timeline & Key Phrases of News Reports used after the Year 2000:

1950's ---> "Soviets", "Blacks", "Darkies", News Agencies & Reporters, Communities are programmed against acknowledging Space Satellite exists

1960's ---> Space Satellite Experimentation, Information & Photography used, **ALL United States Government Experimentation was used to Terrorize & Experiment upon United States Citizens** after 2001.

1970's ---> Nixon in the Bush White House, ALL PLANS OF NIXON ADMINISTRATION to include racist abuse of power & use of Narcotics, were used as though Nixon Himself were in Office while Bush was President of the United States.

**Tools used as Weapons of Mass Destruction with the use of eNarcotics & Human Weapons of Mass Destruction CNN, CNBC, Fox News, MSNBC, etc. Centralized Dissemination of News** ---> Reports, Key Words, Key Phrases, "Mood" Reporting instead of Problem Solving, Companies & "The Economy" as a Person Reporting instead of Investigative Journalism, eMotion Profiling of Targets, eScripting of Narcotics Vagrant Conversations.

**Ultra Sound, H.E.M.P., eChannels, Elf (S&M eNarcotics Organization bragged about Elf use in the Film, "Elf")**

- %LeScripting of Narcotics Vagrants Stalking People with "Tight" Pace, causes ADD in Kids, Manic Disorders.
- %L"Tight" Pace of News, Day's Events = Health, Perception of Healthy Lifestyle
- %LChannels, Frequency of Disease, BioMetric Array used to attack Stalked People, (skin) Color & Sound Sensitive Array, eProgrammed Color Coordination of News-Ailment-Events, Choices of Color of Clothes-Health Effects.
- %LMRI Cellular-eLink Directional Space Satellite Systems forms **eMembrane obstructing movement or thought**,
- %LAll above tools known as used in the Actor's Community of Narcotics Junkies, Abusers, Vagrants, Gay Community, UK Royalty, Commercially Advertised in Financial News Advertisements & Films.

### How do you "Break" the eSystem?

- %LCommunicate Clearly, **Don't Assume** the other person understands you or what you're trying to communicate.
- %LStretching exercises help, instead of Yoga, flexibility exercises are a way to detect stalkers, an electronic presence will produce "creaking" or "crackling" sound effects in your neck, joints & spine, ear lobe & other otherwise flexible body parts.
- %LTurn off the electricity in the House from the Electrical Box that supplies House Electricity for at least 13 minutes to half an hour. Turn off all electricity of your Office Building or Business after closing.
- %LListen to a Tape Recorder with a Tape of a Voice recorded on it in "Fast Forward", place the Tape Recorder close to your ears. You'll feel the sound of the sped up voices come out of your other ear, try to project that sound to different parts of your body to get rid of the "MRI Envelope" or Cellular Structure around your body.
- %LDevelop Routines of SAFETY, Step A before B before C, before closing Business, before leaving your home, make sure you check a physical checklist. *The Stalkers Don't Want You to Think!* The Frequency of your thought when programmed would not include things you need for safety or try to waste your time, energy, resources & economically terrorize you with things you may or may not have forgotten.

**REMEMBER:** World Peace was used as a SHELL GAME while Western Ponzi Schemes developed & Anti Competitive Political & Commercial eSystems had been used for the past 50 Years. **Be Kind to Non Westerners!!**  
ALL **Vagrants**, those against Solar Electricity, Cold Fusion, Time, Natural Resource & Energy Saving Inventions, are against WORLD PEACE!!! This means these Hindi Irish UK EU Vagrants attacking Muslims as though Black African Americans & pushing Black & Jewish Zionism are **against Happiness for All Ancestries of Earth!**

Thought in the mind of a Homo Sapient, can happen at any time.

**Premise of ePrograming:** The things that cause people to mention or think of things at any given point & time include **the Frequency of Advertisement Placement, Key Words, Key Phrases, News Reports & your Stalker's focus or goals.**

Conversations in any City or Location can happen because to begin with, your brain has been eManipulated to accept suggestion & to desensitize your body to this physiological & psychological manipulation.

Like the proverbial **Frog in a Cook's Pot**, you're spied on, watched & literally attacked with Sensory Perception Manipulation from Stalker's use of Narcotics, eNarcotics & Perception Altering Techniques Commercially Available & known as Perception Management. Political Operatives or Advisors such as John Rendon use these techniques as they are harmless at face value. The Rendon.com website publicly sold the ability to Program Populations.

It's taken at least three quarters of a Century for Aryans of United States Citizenship to endorse Greed, Blatant Politically Incorrect Racism, Violent Crime, Man Made Natural Disaster, Frauds in High Office Political, Commercial & in important

Offices which preside over Large Dependent & **Electronically Weakened Historically Similarly Manipulated Third World Countries** such as the World Bank Group, International Monetary Fund, the United Nations & IADB.

Do Aryans or those of Western Ancestry have a choice?

The use of Bias in Hollywood, in Advertising & the Western use of Anti Competitive Political & Commercial **eSystems** & out right Frauds funded with the 1990's Internet Boom & Irish-UK Actor's support for eNarcotics, Racism, South African Apartheid directly linked to Mark Thatcher, a greater push for the presence of an Myopic Ignorant Racially Biased Commercial Arena Internationally.

**Transmitted Thoughts**, "Close Encounter of the Third Kind", "E.T", **Economic Terrorism**

When the Irish UK Actors use the eNarcotic, the Irish UK Actors' "brains" on the eNarcotic transmits information on a Frequency as though it would replace or direct thought of others who do the same things or live in the same zone the Irish UK Actors live. The "Brains" of the Irish UK Actors & All Public "Personalities" are Database Matricized & linked to these Frequencies which push the same thoughts on a schedule which appears in the Advertisements, News Reports & Conversations of Public Personalities, Sports Players or any Famous or Wealthy person.

With the use of an analysis of the Space Satellite System specifications used to transmit these thoughts, an eCap was created for the Actors to create what is Illegal & is publicly known as "Prison Planet". Irish UK Actors wore these eCaps & monopolized all thought in Europe in the late 1990's while pursuing the Rich, Famous & Corrupt.

**Anti Competitive Political & Commercial eSystems**

Europeans are Organized with the use of the **Object Oriented Database Brain eSystem** as a means of maintaining Commercial Dominance while Immigrants Migrated to Europe as Refugees. Billionaires are eLinked to Billionaires, Millionaires are eLinked to Millionaires & Politicians & Diplomats are linked to the Elderly unless they have Real Estate & Large Stock Market "Holdings" as a Billionaire or Millionaire would have.

When the Irish UK Actors Elizabeth Hurley & Hugh Grant pursued their Husbands & Girlfriend with the eCap on Elizabeth Hurley & Hugh Grant's head, the Billionaires & Millionaires of Europe were eKidnapped & brainwashed with whatever Hurley & Hugh Grant's Database Brain was transmitting, this included Mark Thatcher's Anti Semitic Plans, Gerhardt Schroeder's War & Conquest Plans & the 1950's Plan of the UK Royalty, **the Gay & Hindi Community** & the EU Narcotics Royalty.

**Western Theater Campaign of WWII**, "2001 Space Odessy", ePuppeting, eProgramming, eManipulation

The UK Planned to use Actors to signal movement in Political & Commercial Organizations, Future Plans & Events in the Lives of Targeted People for the scheduled & plan advent of an Epic work of Non Fiction that would define Western Civilization from the Perspective of a Historian of the Third Millennium. Politicians were targeted Key Name "Players" who were chosen because of the location of their Birth, Biographical Profile supporting the Racist idea of BiPolar "Old Europeanism" that Obfuscates Fact & Obstructs Justice & their Key Name. After the 1990's Politicians became "**Political Actors**" to the EU Politicians.

Those Politicians & Business People who are known as "Baby Boomers" grew up with a kind of Politics that Obstructs Justice with the Obfuscation of Fact. Baby Boomers reportedly learned about the eSystem c1980's.

**Is this an acceptable excuse for Politicians of Western Ancestry to claim dominance or justification for running for public office or claim to be justifiably entitled to winning?** Legally, No, the Politicians of Western Ancestry who would like to defend the United States as a Constitutional Democracy which automatically reinforces Well Being of ALL Ancestries would acknowledge the "Old European" way of thinking as Racist, Backwards & Inappropriate to Protecting Citizens & Defending a Constitutional Democracy.

UK EU Western Country Brainwashing eDominance with the use of Funds from an inflated High End & Narcotics Industry to Advertise the exact same way Internationally as though all Countries on Earth were physically in Europe's eProgrammed "Concrete War Zone" has happened over a period of 17 to 28 years.

**Does this mass spending on Advertising & Placed News Reports in eBrain Manipulated News Agencies mean the World Accepts Mass eManipulation & eBrainwashing?** No, the Irish UK & EU tried to replace Non Western Ancestry with Western Ancestral Values Commercially while making calculated plans over a period of 50 years to target & attack holders of Non Western Art & Artifacts in an failed attempt to claim Supremacy.

Using the same eCap eBrainwashing technique the Irish UK Actors used to eKidnapp the EU Billionaires & Millionaires, the Westerners thought they would brainwash the Non Westerners with Actors, Business People & Politicians who made Heavily Publicized Appearances in Non Western Countries. *See Japan Film, "Ringu"*.
