UKPM's Templates for Western Superiority & Western "Values"

P.I.-M.P., UKPM or Narcotics "Queen" notoriously directing & collecting "dirt" on all people good or bad. UKPM of the 1990's reportedly directed collection of information on any Politician & styled all behavior of Politicians with the habits & routines of Narcotics Addicts. Hindi stalkers & IE UK Narcotics Stalkers wanted to keep Westerners listed eKidnapped & "in the loop".

The UK Narcotics Royalty wanted to claim to be living 17th Century Royalty in "control" of all Life OF Earth. All models or "templates" of existence had to follow a simple model in order to claim to be of the "dominion" of the UK Narcotics Royalty.

Hindi eKidnapped & Internationally Targeted the World Peace Organizer & Contacts (for free) within this context for the past 7 years for fun **while trying to extort support from UK Vagrants & the World Peace Organizer as though the World Peace Organizer represented the United States or any Western Country** Hindi eKidnapping produced a list of Hindi Goals, the Hindi & Irish Vagrants were "given" the World Peace Organizer as a "gift" which the Hindi used to Terrorize & create goals around that were supposed to be projected upon the UKGB or UKGB Royalty. The World Peace Organizer & Contacts of the World Peace Organizer have been Economically Terrorized or are Financially Strapped & are unable to assist anyone financially while the World Peace Organizer advocates for their Constitutional Rights & Protection from Economic Terrorists.

Rail, Defense & Big Idea Projects that don't make sense are the result.

Hindi Narcotics Abusers were the 1980's problem which began the International Conversation on Terrorists in the EU. Hindi didn't appreciate any kindness from Homo Sapients (normal Logical) or from UK Actors (S&M KrazyGlue).

World Peace, happiness for ALL ANCESTRIES OF EARTH wasn't what the Hindi wanted.

Sanity wasn't what the Hindi wanted. Solitary Confinement = Western Zone, UKGB Political, Commercial & Social Isolation wasn't what the Hindi wanted. Solitary Confinement, Isolation, Western Zone = UKGB Sanity.
