International EXODUS & the 1st Annual European Multi Ancestral Multi Religious Reformation

GKnot Foundation is in the process of selecting Board of Directors for the following Regions:

Greater Asia & Asia Pacific: includes Russia & Eastern Europe

North-Central & South America: includes the Caribbean Islands, Mexican Gulf Region

Northern & Southern Europe

Africa & Surrounding Islands

As part of the process of reviewing & meeting with prospective Board of Directors, Community Executive Committee Members for GKnot Foundation Organizations, GKnot Foundation would like to assemble an Committee to Organize an **International EXODUS** of Hindi, Bangladeshi, Pakistani & Sri Lankans to India, Bangladesh, Pakistan, & Sri Lanka & Old European & Colonist Sympathizers of Western Countries & Non Western Countries, SA, CA, AU, NZ to Europe to assist in supporting the European Economy.

Clandestine Narcotics Activity of Hindi Irish Germanic Communities Internationally had created contentious issues of Territory, Government Intelligence & Political Conversation that is both unnecessary & unwanted in the Conversation on World Peace, Curing Disease & solving problems for Communities of IMMEDIATE Need.

The EXODUS will be an Internationally Organized Voluntary flight from Western & Non Western Countries to the Countries listed in order to End Exponential Exploitation, Narcotics Terrorism & Emotional Terrorism that has caused Financial & Psychological Stress as an Semi-Coordinated form of Attack against Communities of Devout, Constitutional Defenders, International Criminal Court Supporters & Service Oriented people & Organizations & has not provided for Safety & Stability.

After review of the 36 years of Exponential Exploitation, manipulation & War Crimes, it is necessary to provide Safety & an path forward for both Non Western & Western Communities.

The Committee would also have the responsibility to assist in Organizing the 1st Annual European Multi Ancestral Multi Religious Reformation which would give European Youth guidance on Issues that will affect their Future & Non Europeans guidance on the path toward Peace & Justice after the necessary creation of an Western Zone.

Youth in Western & Non Western Countries have needed Leadership of Integrity & instead have Attacked with Economic Terrorism targeting Key Names, used Heads of States as Narcotics Signaling mechanisms & have been given Brainwashed Rockstars, Divas, Neglect & no support for Community Stability, Education & Youth Future.

It is important to acknowledge those of the Western Countries who are Credible Representatives of Western Countries & Communities with intent to provide for Cures of all Disease to include Poverty, Homelessness & Joblessness as has yet to be articulated in real Numbers, Effort & Historical Record.

The 1st Annual European Multi Ancestral Multi Religious Reformation scheduled for 2012 to take advantage of the gatherings around the Olympics, will be the Political gathering that will assist in providing a show of confidence in the intent of Western Countries to peacefully Co-exist on Earth.

Please call Deborah Kayatani GKnot Foundation for information on this Committee at 301-996-9737.
